

What will membership mean?

It brings you into association with people of similar interests socially, politically and economically who are confident, team-oriented and go getters.

It'll help you understand your railroaders work and membership in SMART TD, as well as the importance of the union to the TD member and family.

As a member in an Auxiliary lodge, you have the opportunity to create activities such as summer BBQ's, educational workshops, fundraisers, support with other railroad families that best suit the interests of the members.

Membership in the Auxiliary gives you the opportunity to participate in community events, stay up to date on important legislation that affects transportation employees and families.
