*"Alone we can do so little; together we can do so much." ~Helen Keller*

Volume 10, Issue 1

March 2019

The year is off to a great start. We've already had a new lodge open just last month in North Platte Nebraska which happens to be home to the largest railroad yard in the world, that's pretty exciting! We need to continue this effort to grow, organize and educate our members. You will read later in this issue about a member who was distraught and lost after her husband was fired. Fortunately she was put in contact with the appropriate people to get the case on the road to being settled or arbitrated. I won't go into too much detail on the importance of being educated since Pam Neal covers that in her article but I will say if you have questions or want more information please contact our office or your Vice President. Also to mention, the lawyers you see advertised in our newsletters are all FELA attorney so you can contact any of them directly for more information, most of them will send literature that you can share with your lodge or they will attend a lodge meeting or send someone to attend for them.

On the topic of educating, it's come to my attention that many of our members are missing out on or don't know about some of the amazing benefits and discounts they are eligible for through Union Plus. They offer a wide range of discounts and benefits on travel, cellphone providers, loans, entertainment, vision and dental insurance, gym memberships, pet insurance, moving and they even offer a scholarship just to name a few. You can view these great offers on their website [www.unionplus.org](http://www.unionplus.org). If it is your first time going there you will need to create a login to view the offers. In their list of unions they have both SMART and UTU listed and either will work. Once you've selected that you'll need to designate if you are a spouse or family member and complete the registration from there. We are happy to help if you have further questions.

In closing I wanted to let remind you that scholarship applications are due the end of this month. Have a happy and safe Spring!

Your sister in solidarity,

# NATIONAL LEGISLATIVE DIRECTOR SCOTT SAUNDERS

Hello to all of you and Happy New Year!! 2019 has proven to be one for the record books... record cold, Record rainfall, and a Record long Government shut down. Hundreds of thousands of people throughout the country were without work and a paycheck for over a month. The TSA Agents across America, that keep our Bus, Airplane, and Train Families safe, were forced to work without pay. Talk about "lack of National Security."

Just last week, a "National Emergency" was declared by our President so that a wall can be built, even though it's only a small portion of the Border and even though immigration numbers are at the lowest in over 30 years. Even though most drugs and illegal aliens come through official ports of entry. I ask you all to get involved. Make your voices heard. Educate yourself on the issues and avoid the propaganda and baseless fake news.

Right now, Local/ Municipal elections are revving up across America. I encourage you to run for City council or School Board. Who knows better about what our community needs than us? If you do decide to run, I am happy to help you with your campaign. I have managed many campaigns across the country and have a 94% "elected" rate. I even run my own campaigns and those have been 100% successful.

We have been working on special projects with the SMART-TD National Legislative team in Washington D.C. Most of this consists of outbound calling to confirm phone numbers and birthdates. If you find yourself with some free time... please contact me and we can put you to work.

If you are an Auxiliary State Director, would like to become one, or would like to not be one anymore, PLEASE CONTACT ME. I am working through that list right now and need to make sure we have people in place that are ready, willing, and able to work on GOTV outreach and events.

Unions are under attack every single day, which means, we must resist and continue to fight every single day. Our jobs, families, and future depend on our actions every single day. What an honor it is to be a part of such an amazing organization and I look forward to what we accomplish in the future.

In Solidarity,

***Scott Saunders Jr***

# ALT. NATIONAL LEGISLATIVE DIRECTOR PAM NEAL

I hope you all take note of the picture our Lodge submitted for this issue. While we do spend meetings discussing where 2-person crew bills stand in other states and the latest craziness that the Carrier has come up with, we also take time to just enjoy being friends. We made our December meeting a totally fun evening of drinking a little wine, having some amazing homemade treats and talking about our families and all the joy we were looking forward to during the upcoming holidays. And, we got to take home something we'd made!

Then, just a few days after this photo was taken, I received a call from an Auxiliary member in Washington. A young woman in their lodge was distraught and lost. Her husband had been fired and she was frustrated that they weren't hearing anything on where his case stood. Long story short, the amazing Dawn Voelker put her in touch with me, I gave all the particulars to the General Chairman I work for and he in turn reached out to the proper General Chairman to see what was going on. Research was done, calls were made and now his case is on the road to being settled or arbitrated.

Being in the Auxiliary matters. Being in the Auxiliary is educational. Being in the Auxiliary gives you contacts that might not otherwise be available. Growing our Auxiliaries should be priority number one for each of us so that other spouses are not left blind or clueless when their loved one is injured or dismissed. Knowledge is powerful.

If you haven't had a FELA attorney (and only a FELA attorney) attend a meeting in a few years or worse, ever, now is as good a time as any. Have them come in and explain what to do should your spouse be injured. We recently had a crew in a van hit head-on. The van driver tried to avoid the accident but wasn't able to. One crewman was hospitalized with severe injuries. The other crewman was banged up but not hospitalized. Both drivers died. Because of ongoing investigations, I can't give any other details.

The point is, many union members were at the spouse's side, most with good advice, but not all with correct advice. That is huge in any accident, whether on the property or not.

FELA attorneys are always available and actually anxious to speak with spouses. When our Auxiliary was just getting going, we worked with the Local and held a joint meeting at the old depot here. We had folks from UnitedHealthcare, the Railroad Retirement Board, Palmetto (for soon to be retirees) and others. We served refreshments and even invited NARVE members to join us. Guys came from and went to work. Some didn't get to hear everything, but it was educational for all.

You can take information straight off the Auxiliary website and make flyers that local SMART officers can hand out during new hire classes. They can also hand them out at union meetings. If you don't think you can get a joint meeting or a FELA attorney to a meeting, if a member of your Lodge is married to a Local officer, ask for an invite to a meeting so that you can explain the importance of their spouses joining our Auxiliary. Just always stress, "we don't want in your business, we just want to know what to do to protect you if something happens."

In Solidarity,

**STEVE FRITTER**  
**VICE PRESIDENT DISTRICT 2**

**DISTRICT 2 STATES: Connecticut, Delaware, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Vermont, Washington D.C.**

Steve Fritter, 70, has been retired for 10 years. He lives with his wife, Julie, in Culpepper, VA, a suburb of Washington DC. Steve's 36 years railroad work included time with Southern Railway, Norfolk Southern and Amtrak. His Union work as District Legislative Director (1996-2008), UTU Safety Team Investigator working with the National Transportation Safety Board (2000-2008) and a member of UTU Constitution Committee in 1999 which was challenging and instructive. Steve also serviced as Delegate at the 2018 Auxiliary Convention as well as being a valuable member of our Constitution Committee.

With the Constitutional changes that went into effect January 1, 2019, the SMART-TD Auxiliary has a unique opportunity to further unite our families by inviting SMART-TD members to join us as lodge members. Yes, active SMART-TD members can now join and participate in Auxiliary Lodge activities. I see this as an important building block for our organization. Just as I was extended an invitation to join the Auxiliary as a retired UTU member 4 years ago, active SMART-TD members can now join their spouse and family members in a lodge and face the future together. By uniting for a better understanding of the issues we confront daily in our working and family life, we will, each of us, be better equipped to handle the difficulties that will inevitably arise and better able to more readily find solutions to our common problems through the support of one another. Let's grow our organization and unite our families. Visit the Auxiliary web site and print out a membership application today!

I have been a member of the Auxiliary since 2012, and Ron has been an active UTU/SMART-TD Union member for over 22 years. I serve as the President of the Sweet Carolinas, Lodge 782, and have served as Delegate at the 2018 Auxiliary Convention and as a member of the Constitution Committee. We opened our lodge in Asheville, NC in 2016 and have worked hard to gain membership and provide an informative arena for our members, as well as friendship and support for our railroad and bus families.

Geralyn is the wife of RR worker and now SMART-TD State Legislative Director for Ohio, Stuart Gardner, for 36 1/2 years. We have 3 children and 2 grandchildren. I work part time as an LPN in Bellevue, still doing Tupperware, and taking care of my 95 year young mother-in-law. In my younger years, I put in 36 years at the Whirlpool plant in Clyde making washing machines. Geralyn also keeps busy volunteering doing the scrip program at church and being a money counter there, and being the secretary of the local Auxiliary VFW Post#1238. I opened my lodge after I attended the Auxiliary Convention in San Diego, realizing we need more lodges to keep growing and to have more voice representation. I currently am President and Delegate of my lodge. I have also been on the Auxiliary of the UTU Scholarship Fund Board for the past 5 years, serving as the Secretary.

Nora is currently President and Alternate Delegate of her lodge which she started two years ago to help spouses learn about their benefits.

**VICE PRESIDENT DITRICT 6**  
**573-353-0469 | csuemenges@gmail.com**

**DISTRICT 6 STATES: Colorado, Kansas, Missouri, Nebraska, North Dakota, South Dakota**

As a way of introduction, I am Carol Menges. I have served the Auxiliary in many positions, from Missouri State Legislative Director to Alternate National Legislative Director to International President and currently serve as Vice President of District 6 and Chairperson of the Executive Board of the SMART-TD Auxiliary. I also have served as President of the UTU Scholarship Fund Board and currently serve as an advisory member to the Scholarship Board.

To say my family bleeds union blood would be an understatement! We have been actively involved in union activities most of our adult lives. My Husband, Kenny, was elected Local Chairman of UTU Local 933 in 1983 and so the journey began. We have always worked as a family team, helping each other as we grew in the union movement.

We have many challenges facing us today, as we strive to find interesting ways to attract new members to the Auxiliary in this very fast-paced world and continue to provide value and service to our older members. It is by being active in our communities and supporting one another in our lives as the spouse of a railroader that we can bring understanding and change to our members' lives. Being the "home" support and keeping the family focused in the often-chaotic life of the railroad family is difficult; but the Auxiliary family is always there to support each of us.

It is by staying positive and energized in the union movement—a movement which is contrary to the belief of individualism. WE become better as a person and an Organization when we help each other become better.

I encourage you to be active in the Auxiliary. We all have a place and the energy of each one of us can make each of our lives better.
